

A woman with long, wavy brown hair is crawling on a large, dark, textured rock. She is wearing a one-piece swimsuit with a gold and brown geometric pattern. The word "MELT" is overlaid in large, white, sans-serif capital letters across the center of the image. The lighting is warm and dramatic, highlighting the woman's skin and the texture of the rock. The background is dark and out of focus.

MELT

Leggings

Los leggings de Melt están diseñados para vestir el cuerpo con la mayor comodidad posible.

Es por eso que creamos dos modelos que se parecen mucho, pero que en realidad son bastante diferentes.

Ellos son los modelos, SLIM y HIGH.

Cuando los miramos, se ven iguales, pero su forma de vestir es muy diferente.

Son diferencias sutiles, pero se adaptan a nuestras diferencias.

Legging SLIM

Los leggings SLIM tienen un modelado estrecho, más alto y más largo. Está confeccionado sin ningún tipo de elástico, a excepción del propio elastano del tejido, por lo que se lleva como unas medias.

En la primera prueba incluso tarda en pasar por la cadera, pero después de que pasa se adapta al cuerpo como una segunda piel. Realza las formas femeninas.

Legging HIGH

Los leggings HIGH tienen un modelado más tradicional, con una cinturilla alta, pero con elásticos finos que facilitan su sujeción.
